

EHZZ BULLETIN 01

The Bulletin is an email where I share a few of the things that I am experiencing/pondering/consuming that I think have value to others.

1. As I have been teaching a little philosophy, I started listening to Table Talk Radio's 10 Master Metaphors of Western Philosophy podcast with Rev. Dr. Gregory Schulz of Concordia University in Mequon, WI. I am on the 5th episode and am really digging them.

2. Brewery News:

- Bought the ingredients for a new Belgium stout. Planning the brew Sunday.
- Adding an additional keg to the Keg Cooler, maxing out its capacity at three.

3. Reading the Church Fathers in my spare time. Thus far I have read [Clement of Rome's first letter to the Church at Corinth](#) (c. 95 c.e.) and [Ignatius letter to the Romans](#) (c. 112 c.e.).
